Florence Gospel Symposium

The unique experience for Gospel Choirs
1st Edition 26 - 29 November 2020
2nd Edition 25 - 28 November 2021

FLORENCE GOSPEL SYMPOSIUM is the first Italian contest focused on Gospel culture and music. Four exclusive days in Florence, a network of choirs which meet and sing together in the most wonderful venues Florence can offer. In the competition, the participating Choirs have the opportunity to play the Gospel repertoire they prefer (from Hymns to NuGospel, from Spirituals to the more classic Gospel, up to original songs) and they are examined by a genre dedicated expert Panel. Participating groups auditions and concerts are set in the most beautiful Churches in Florence. The authoritative Jury itself is starring in the Masterclass, which takes place in parallel with the Competition. The Masterclass is a chance of musical and spiritual authenticity and sharing which. Even groups or singers not involved in the Competition are able to attend the Masterclass. The final Concert will be the result of Mass Choir's work, in an exclusive venue of the city and is open by the winner group of the Symposium.
